THESE ITEMS CANNOT BE RECYCLED, PUT THEM IN THE TAN TRASH CONTAINER

Pizza and other fast
food boxes are likely
contaminated with grease
or other food debris,
preventing recycling.

Wrapping paper and
tissue paper likely have
a coating which
prevents recycling.

Paper pet food bags
most likely have a
plastic barrier which
prevents moisture but
prevents them being
recycled.

Polystyrene, commonly
called 'styrofoam', is not
recyclable. Do not put
beverage cups, food
containers, or packing
peanuts in
the recycling container.

Paper towels, used paper
plates, paper napkins,
and disposable diapers
are not recyclable.

Organic waste such as
food, pet and yard
waste should not be
put into the recycling
container.

Plastic bags, plastic
wrap or rigid plastics
such as buckets, toys
and outdoor furniture
should not be
put in the
curbside
recycling
container.

CONTAINER INFORMATION

- ✓ Containers are available in two sizes: 95 or 65 gallons.
- ✓ You may request an additional recycling container at no charge.
- ✓ You may change the size of your container once per year at no charge.

CONTAINERS ARE THE PROPERTY OF THE CITY OF GOODYEAR.

RULES YOU SHOULD FOLLOW

- ✓ Keep your containers clean. Help minimize pesky flies, maggots and other critters.
- ✓ Keep container lids closed. Same reason as above :) and keeps trash from littering your neighborhood.
- ✓ Always bag garbage and grass before putting into the trash container. Same reason as above :)
- ✓ Don't put items next to your container. If an item is too large for the container, hold it for your monthly bulk collection day.

Bulk Sanitation Services

Bulk collections are for waste generated from normal residential activities that are too large to fit into your regular curbside container. Each bulk item, with the exception of furniture and appliances, shall not exceed an accumulation of two cubic yards (about the size of a kitchen table 3'x3'x6') and be of a shape and size that two men can safely lift.

To find your monthly bulk collection day, visit goodyearaz.gov/trash and click on [Bulk Trash Zone Map](#)

Household Hazardous Waste

Goodyear residents can drop off household hazardous waste **free** of charge twice per year at local waste collection events. Residents will be required to provide proof of residency such as a recent city utility bill or driver's license. This event is for residential hazardous waste only. Commercial or medical waste will not be accepted. Materials should be placed in the trunk or truck bed of vehicles for safety considerations at the drop off site.

To find dates for events or alternatives for disposal, visit goodyearaz.gov/trash and click on [Hazardous Materials](#)

Unwanted Medications

The Goodyear Police Department offers a free Prescription Drug Disposal Program so you can safely dispose of unwanted medications without harming the environment.

Two drop box locations:

- Goodyear Police Admin. Bldg. Lobby: 14455 W. Van Buren St. E101 (Always open)
- Goodyear Fire Station 183: 3075 N. Litchfield Rd. (Open: M-F 8:30 a.m. - 5 p.m.)

Allowed for Disposal:

- All expired, unused or unwanted controlled, non-controlled, and over the counter medications.
- Liquid products, such as cough syrup, should remain sealed in their original container.

*Don't trash or flush it, instead deposit it...
in Goodyear Police Department's
secure prescription drug drop box!*
